

The Sum of Our Parts:

Wed, Aug 04, 3:00 pm – Bone Bonanza

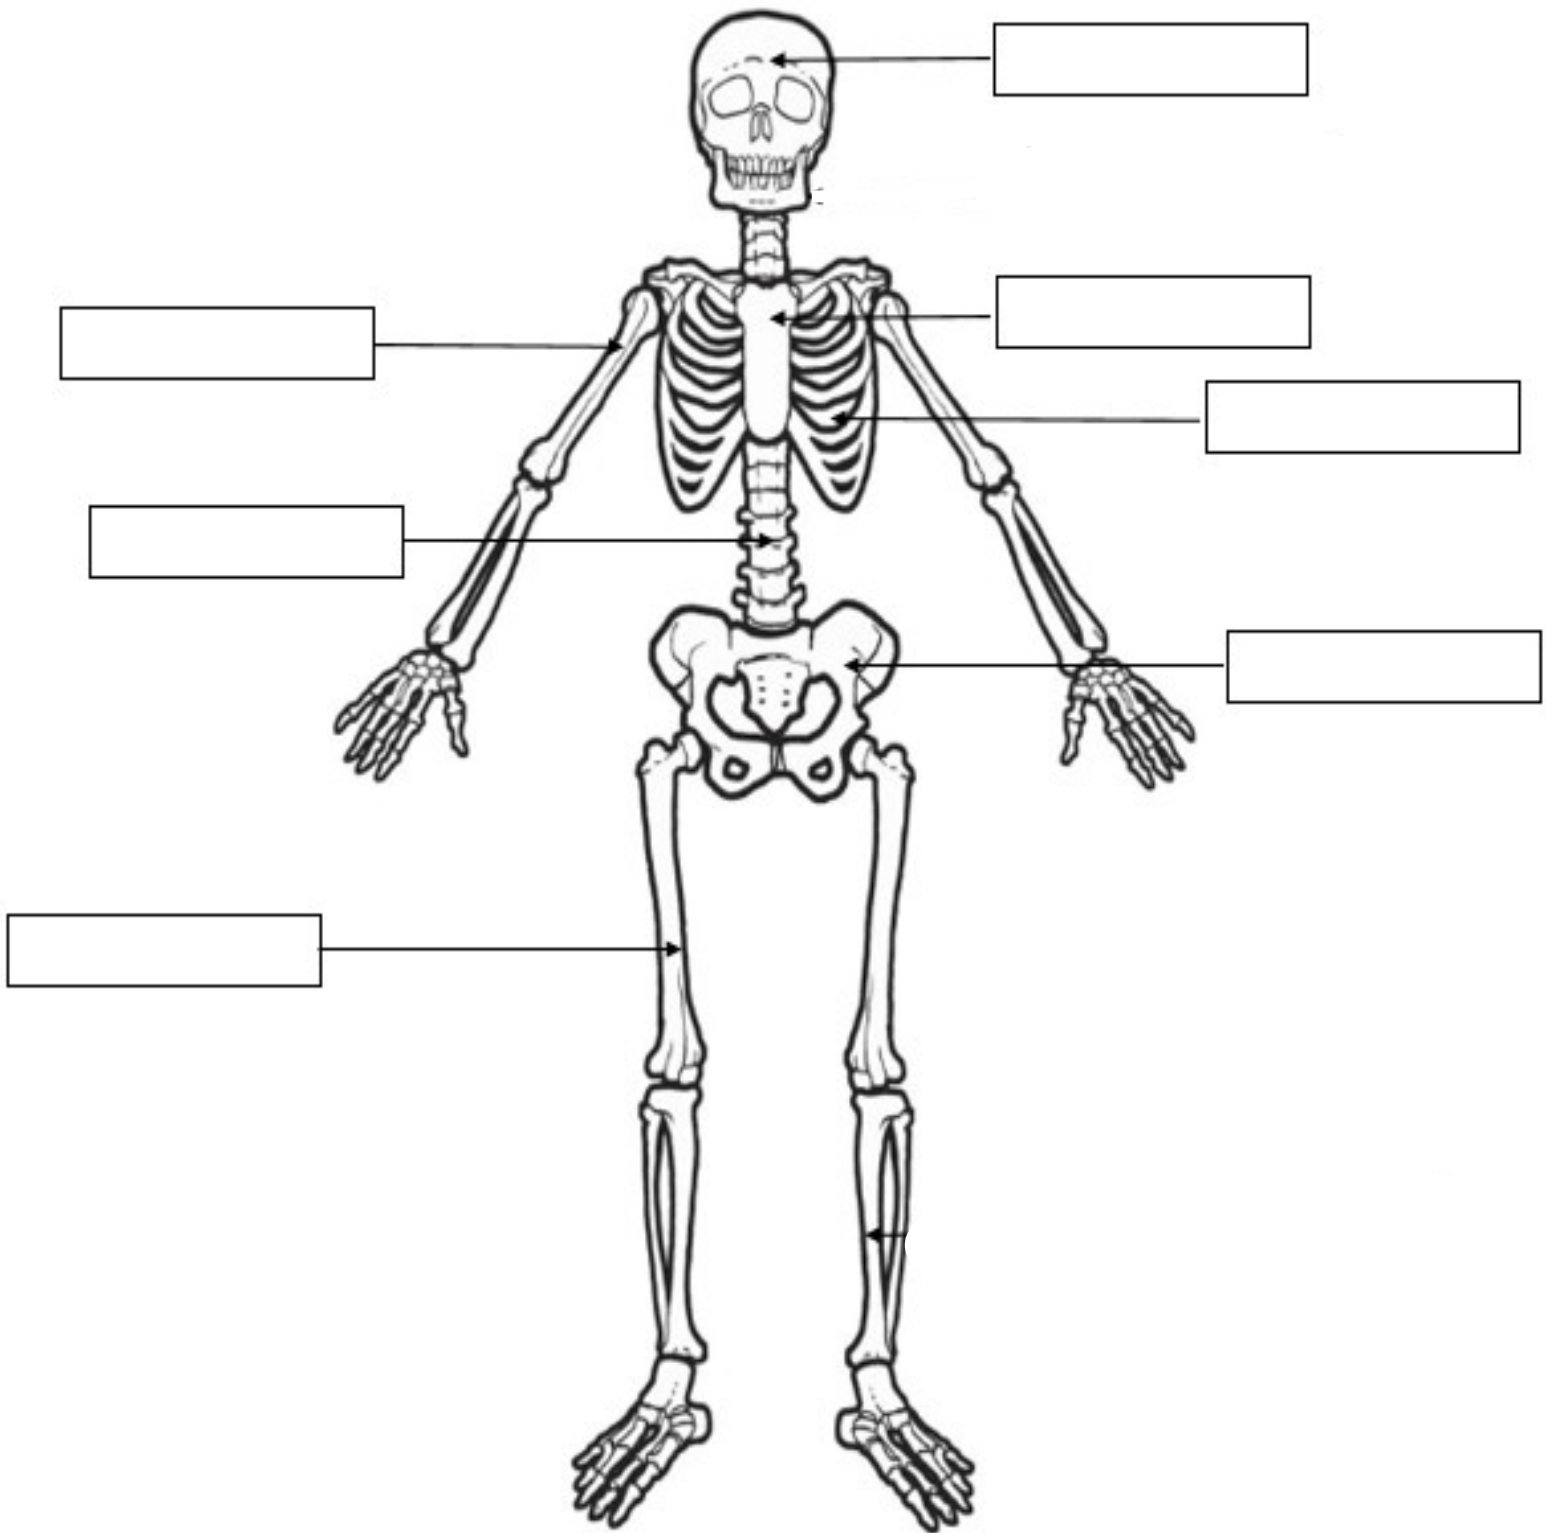

Wed, Aug 11, 3:00 pm – Organs in Action

Wed, Aug 18, 3:00 pm – Bountiful Brain

Learn all about the human body in fun and informative ways! Each week we will go over a different body system. Part of an ongoing series. Limited crafts available to pick up at the Glades Road branch Children's desk.

Grades K - 5 (45 min.)

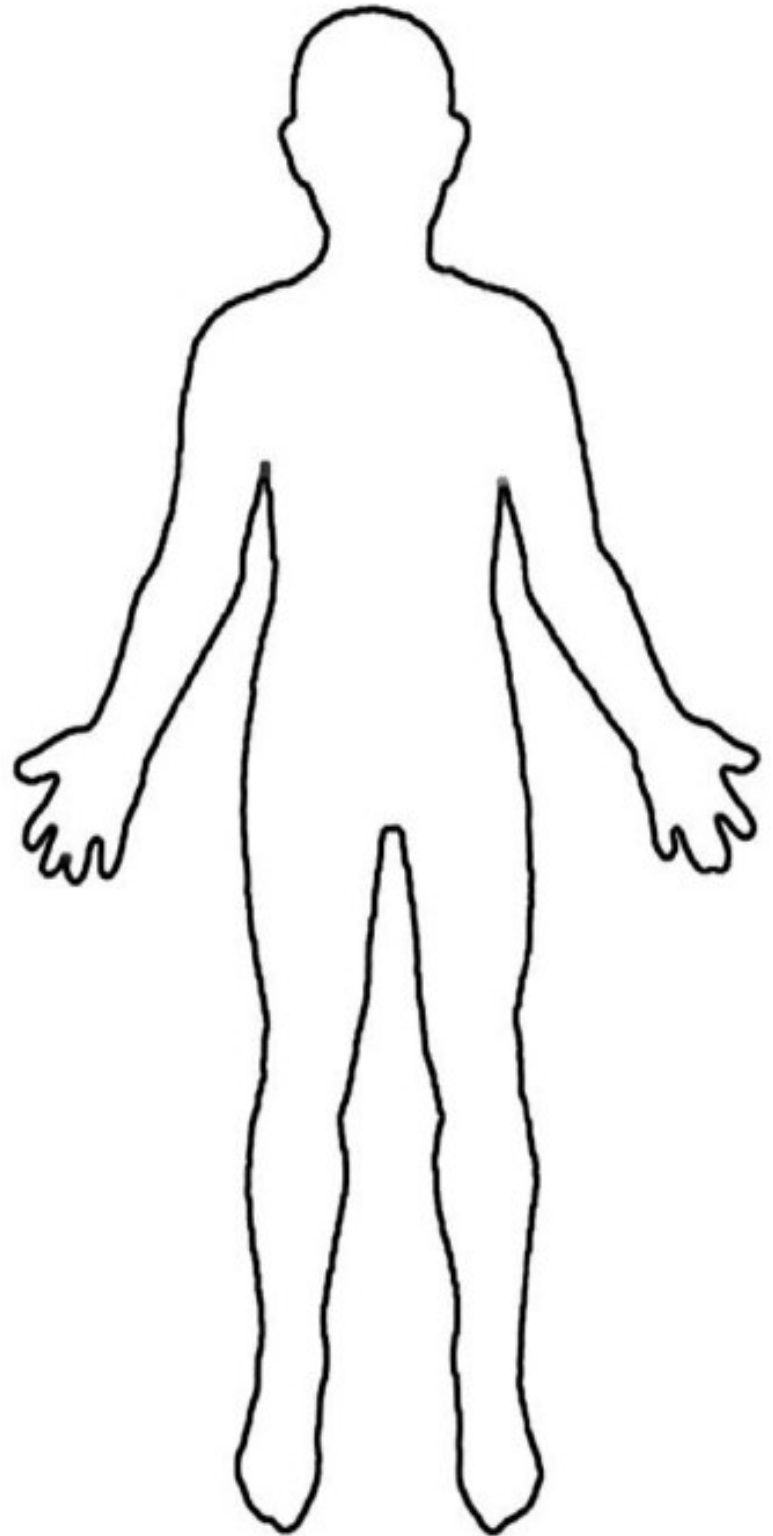

Label the bones using the words in the box below.

Lumbar Vertebrae	Skull	Sternum	
Humerus	Pelvis	Femur	Ribs

Where are your organs?

Using the word bank, draw and label on the blank body where you think all of your organs are. Use pencil. Then, using a colored pencil and an answer key, draw the correct placement and labeling - see how many you got right!

Liver

Trachea

Lungs

Small Intestine

Brain

Large Intestine

Heart

Stomach
